Washington State Department of Veterans Affairs, Vancouver, WA [2008 – 2013]

Incarcerated Veterans Program Specialist

- Interview and qualify eligibility of all Veterans incarcerated in Clark County Jail for participation in the Incarcerated Veterans Program.
- Advocate for eligible Veterans to assist in the delivery of benefits and services. Function as a liaison for court-related issues and work with Veterans in the development of a re-integration/case management plan.
- Support Veterans in their efforts to achieve identified goals by assisting them with employment and educational goals in order to gain increased economic self-sufficiency and long-term residential stability.
- Conduct ongoing case initiatives with program participants in order to monitor the process and recommend appropriate interventions/strategies for success. Assist the client in implementing a relapse prevention plan of action.
- Develop and maintain collaborative relationships within the housing community to secure emergency, transitional, and permanent housing for Veterans.
- Network and establish relationships with community service agencies and community service providers via the distribution of promotional materials and face-to-face meetings.
- Plan and facilitate community meetings and conferences with a detailed agenda of topics to be covered in an effort to educate the public on Veteran's issues and needs.
- Facilitate weekly group counseling sessions with Veterans residing at the Veterans Transitional House.
- Provide transitional counseling to Inmates of Larch Correctional Facility who are soon to be released into the community.

VFW, Vancouver, WA [2005 – 2008]

Volunteer Claims Specialist

- Conducted interviews with Veterans for the purpose of VA claims filing; generated initial pension and disability claims; gathered and submitted appropriate documents in support of claims.
- Compiled and prepared claim denial appeals and conducted follow-up assistance to Veterans in the claims process.

VTAC, Vancouver, WA [2006 – 2008]

Executive Director of Veterans Transition Assistance Center (Nonprofit)

- Provided sound financials, budgeting, and life skills training at no charge to Veterans in the Clark County area. Conducted assessments to determine Veteran's eligibility for VA benefits and referred them to the appropriate agency for assistance.

KMW, Inc., Vancouver, WA [1995 – 2006]

Owner Operator

- Successfully supervised 10-12 mortgage and insurance employees delivering products suitable and appropriate for the welfare of Veterans and their families.
- Conducted weekly training in areas of product knowledge, interview techniques, and filing of records in compliance with Washington State regulations.
